Chapter 1 by Crimson Pain

I'm sorry if this sucks.

On with the story.....

I was walking home from work and he came out of no where. He put a hand over my mouth saying, "Don't say anything. They will here you and attack." Instantly I knew who it was. So I mind spoke ~Sage, why did you have to scare me like that?~. I turned around...

Chapter 2 by Phantim

An assassin shows up

It wasn't Sage. Why had I thought so... the mind seemed to resonate just like her. No, it couldn't be... ~Daria?~ I asked searching her eyes for an answer.

Her eyes squint and I know it /is/ her! How can this be, she was /dead/. I was at the funeral even!
